

**GENERAL TERMS AND CONDITIONS OF SERVICE**  
**EFFECTIVE AS OF 15 JULY 2022**

**1. General Terms.** These General Terms and Conditions of Service (“**General Terms**”) apply to the service order (“**Service Order**”) entered into between the customer (“**Customer**”) and the member of the GlobalDots group of companies identified thereon (“**Company**”). The Service Order, together with these General Terms sets forth the entire agreement and understanding between Company and Customer with respect to the purchase and sale of the Services (defined below) in accordance with such Service Order, and the same shall supersede all prior discussions and negotiations between the parties with respect thereto. In case of conflict between these General Terms and the terms of the Service Order, the terms of the Service Order shall prevail. The Service Order, together with these General Terms is referred to herein as the “**Agreement**”.

These General Terms may be updated from time to time by Company. The version of General Terms which shall govern and control in respect to the Service Order shall be the most recent version in effect as of the date on which the Service Order was signed.

**2. Purchase and Sale of Services:** Company shall sell, license or otherwise make available to Customer and Customer shall purchase from Company the products and/or services (“**Services**”) as described in the Service Order.

**3. Service Fees:** Customer will pay the fees due for Services according to the prices and terms listed in the Service Order. The prices listed in the Service Order may be changed by written notice from Company to Customer no less than 30 days prior to the commencement of any renewal term. All amounts payable hereunder to Company shall be exclusive (i.e., net) of all sales, use, value-added, withholding, and other taxes and duties (other than Company’s income tax).

**4. Payments:** Except as otherwise indicated on the Service Order, on the service activation date for each Service, Company shall bill Customer for all non-recurring fees indicated in the Service Order and the agreed upon monthly minimum service charge for the first month of the term. Company shall invoice Customer for the monthly minimum service charges for all subsequent months on or about the first day of the month in which such Services are to be provided. All other fees for Services received and expenses incurred for Services during a month (e.g., excess usage fees) will be invoiced on or about the first day of the month following the month in which the Services were provided. Payment shall be made by Customer to Company no later than 30 days from invoice date, at an address or to such bank account designated by Company from time to time (as indicated on the invoice). Interest shall accrue on any delinquent amounts owed by Customer to Company at a rate equal to the lesser of (i) one percent (1%) per month or (ii) the maximum legal interest rate chargeable. In addition, Customer shall bear all costs (including reasonable legal fees), incurred by Company to collect any unpaid or delinquent amounts. Company may, at any time, and from time to time, require a deposit or other acceptable form of security if it reasonably deems that Customer’s ability to pay is in doubt. Unless prohibited by applicable law or regulation, all invoiced amounts not disputed in writing by Customer within thirty (30) days of

invoice date shall not be subject to dispute or challenge by Customer.

**5. Provider; Acceptable Use**

a. Customer acknowledges that Company does not develop or own the Services, but rather it is an approved distributor and/or reseller thereof and accordingly, other than the limited rights granted to Customer to access and use the Services as provided for in this Agreement, all intellectual property rights, including copyrights, patents, trademarks and related trade secrets are and shall remain the sole and exclusive property of the service provider(s) and or their respective affiliates named in the Service Order (each, a “**Provider**”). There are no implied licenses granted under this Agreement.

b. When using the Services, Customer shall comply with Provider’s acceptable use policies (as the same may be amended from time to time) copies of which shall be provided by Company at the request of Customer. Should Customer fail to comply with such policies, in addition to its other remedies hereunder, Company may, following notice to Customer, suspend Customer’s use of the Services. A breach by Customer of Provider’s acceptable use policy shall be deemed a material breach by Customer of this Agreement.

**6. Confidentiality; Modifications**

a. Customer acknowledges that the Services and related technology, structure, organization, and source code (the “**Provider Technology**”) are and shall remain the sole property of Provider and Customer shall not: (a) modify, adapt, alter, translate, or create derivative works from the Provider Technology; (b) distribute, sublicense, lease, rent, loan, or otherwise transfer the Provider Technology to any third party; or (c) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Provider Technology.

b. This Agreement, including the fact of its existence and all business terms of the Service Order, and all other non-public and/or proprietary information of a party, including trade secrets and business and financial information is confidential (“**Confidential Information**”) and neither party hereto shall disclose or divulge any of the Confidential Information to third parties without the prior written consent of the other party or use any Confidential Information of the other party other than to perform its obligation or enforce its rights hereunder. Customer Technology (defined below) shall be deemed the Confidential Information of Customer.

c. Neither party shall use the other party’s name, logo, or marks without the other party’s prior written consent except that Company and its affiliates shall be permitted to use the unaltered name, logo, or mark of Customer in its client referral lists, case studies, and other promotional or sales material (including on its website or in printed materials).

**GENERAL TERMS AND CONDITIONS OF SERVICE**  
**EFFECTIVE AS OF 15 JULY 2022**

- d. Company acknowledges that Customer's technology and intellectual property (the "**Customer Technology**") constitute valuable trade secrets of Customer, and accordingly, Company agrees not to: (a) modify, adapt, alter, translate, or create derivative works from the Customer Technology; (b) distribute, sublicense, lease, rent, loan, or otherwise transfer the Customer Technology to any third party; or (c) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Customer Technology.
- e. Customer acknowledges that Provider, upon thirty days written notice, may modify components of any Service, provided that the modified Service will include substantially all of the original features and functionality the Service had before such modification.
7. **Customer Content:** Customer is solely responsible for all content and applications, including any third-party content or applications, provided to Company or the Provider in connection with Customer's use of the Services ("**Customer Content**"). Customer retains all right, title and interest in its Customer Content and Customer Content shall not be deemed part of any Service. Customer acknowledges that Company does not assume and should not be exposed to Customer's business and operational risks associated with Customer Content. Customer shall defend, indemnify, and hold Company harmless as a result of any claim by a third party against Company with respect to any Customer Content, the operation of Customer's website (including commerce thereon) or misuse of a Service by Customer or use of Services in violation of any applicable law or Provider's acceptable use policies.
8. **Disclaimer; Limitation of Liability:**
- a. Company on its behalf and on behalf of the Provider expressly disclaims all warranties, terms and conditions of any kind with respect to Services and use thereof by Customer, contractual, statutory or otherwise in law or equity, including any (implied) warranties, of merchantability, non-infringement, or fitness for a particular purpose.
- b. Except for a party's liability arising out of its indemnification, payment and/or confidentiality obligations, and subject to subsection (d) below, the liability of a party hereunder for all claims arising hereunder, whether in contract, tort, negligence or otherwise, shall not exceed the aggregate amount of fees paid or payable by Customer to Company under the Service Order during the twelve (12) month period preceding the event or circumstance giving rise to the claim.
- c. In no event shall either party be liable for any (i) loss of or corruption of data, (ii) loss of profits, (iii) loss of sales, (iv) loss of or damage to business, (v) loss of customers, (vi) business interruption, (vii) replacement services, or (viii) any special, incidental, consequential punitive or indirect loss, however caused and regardless of theory of liability and whether in contract, tort, negligence or otherwise, even if such party has been advised of the possibility of such damages.
- THE FOREGOING WILL NOT BE CONSTRUED TO LIMIT COMPANY'S RIGHT TO RECEIVE FEES PAYABLE UNDER THE SERVICE ORDER DURING THE FULL TERM THEREOF, EVEN TO THE EXTENT SUCH PAYMENTS INCLUDE AN ELEMENT OF PROFITS TO COMPANY.
- d. None of the exclusions and limitations in this section 8 shall apply in respect of (i) liability in negligence causing personal injury or death; (ii) liability for fraudulent misrepresentation; or (iii) any other liability which cannot by law be excluded or limited.
9. **Term and Termination:**
- a. The initial term of the Service Order shall be as indicated on the Service Order and shall automatically renew for successive terms of twelve (12) months each unless either party notifies the other of its intent to terminate at least seventy-five (75) days prior to the expiration of the applicable term. Notwithstanding the foregoing, if no notice of non-renewal has been delivered but (i) Company is unable to renew or extend its agreement with Provider so that Company may reasonably continue to provide the Services to Customer, and (ii) Company is unable to provide Customer with services substantially similar to the Services from another service provider reasonably acceptable to Customer, then either party shall have the right to terminate this agreement by delivery of written notice to the other prior to the commencement of the renewal term.
- b. In the event that Company terminates the Service Order in accordance with subsection (c) or (d) below, or pursuant to the exercise of any other legal remedy or right, Customer shall remain liable for the fees that would have become due for the remainder of the Term (including the renewal thereof, if renewed or deemed renewed), in addition to all fees outstanding at the date of termination. Where the fees include a variable component based on usage or excess usage, for the remaining months of the term (including the renewal thereof, if renewed or deemed renewed), such amount shall be calculated on a per month basis based on the average monthly amount in the six-month period prior to termination.
- c. Either party may terminate the Service Order at any time if (i) a receiver is appointed for the other party or its property, (ii) the other party makes an assignment of all or substantially all of its assets for the benefit of its creditors, (iii) proceedings are commenced by or for the other party under any bankruptcy, insolvency, or debtor's relief law and not dismissed within 60 days, (iv) the other party liquidates or dissolves or attempts to do so, or (v) the other party commits any other breach of a material obligation hereunder which it fails to cure within 30 days of written notice, or ten days for

- e. Should Customer fail to pay any fees or other amounts due hereunder as and when due and if Customer fails to make such payment within five (5) days of delivery of written notice by Company (which may be by email), in addition to any other remedies Company may have hereunder or in law or at equity, Company will be entitled to suspend the Services under all applicable Service Orders until such payment is made.
